

Toolsheds

Offering a secure solution for your garden tools and equipment, each toolshed not only adds style but also ensures a safe and organized space for your gardening essentials.

Available in Sizes:

5x2, 5x3, 5x4, 5x5 (also available with a double door)

Our new Power Toolshed range are equipped with high-quality features that set them apart from other Toolsheds on the market...

- ✓ Guaranteed for 10 years against timber rot, decay or insect infestation;
- ✓ Crafted from premium-grade timber;
- ✓ 12mm Tongue and groove throughout.
- ✓ Heavy duty, 44x28mm, superior rounded four corner framing throughout;
- ✓ Every shed is designed for ease of assembly, complete with step-by-step instructions;
- ✓ Under 2.5m to typically avoid planning permission;
- ✓ Comes with an option of single door or double doors;
- ✓ Galvanized ironmongery to ensure protection against rust and other damage;
- ✓ High performance polyester backed roofing felt;
- ✓ Base kits available in all sizes.
